Ricoh Aficio SP C231N/SP C232DN

You don't have to spend a lot to look good on paper.
What does the quality of your documents say about your business? Large or small, Ricoh knows that every business wants to maximize image quality at minimal cost. After all, you only get one chance to make a first impression. That's where the RICOH® Aficio® SP C231N and SP C232DN come in. Stylish and compact, these easy-to-use color laser printers provide professional full-color quality that allows you to express your business in its best light. Featuring vibrant color output at 21 pages-per-minute and a low total cost of ownership, you can focus on enhancing your image while Ricoh focuses on saving you money.
That's an investment that looks good
on paper.

Big on Productivity

Fast speeds, impeccable image quality, plus a host of productivity-enhancing features make the Ricoh Aficio SP C231N/SP C232DN a smart business decision.

- Print at equal speeds of up to 21-ppm for both full-color and black & white pages for maximum productivity—even when creating mixed documents. Minimize waiting with a fast first print speed of just 14 seconds.

- Produce vivid color graphics and crisp text at enhanced resolutions of up to 2400 x 600 dpi without any loss in speed or productivity.

- Network-ready to support multiple users immediately upon installation.

- Accurately process complex print jobs from all connected users with PCL or PostScript emulation. The powerful 300MHz controller offers expandable memory to support job spooling and high resolution printing in multi-user environments.

- Seamlessly integrate these printers into your office with standard Windows and Macintosh compatibility with automatic PDL switching.

- Expand your capabilities with a PictBridge™ interface for simple digital camera printing (SP C232DN only).

Versatile enough to handle all media types with maximum efficiency and image quality including heavy stocks, labels and envelopes.

Low on Cost

Surprisingly affordable, the Ricoh Aficio SP C231N/SP C232DN works to save you even more over the life of your investment.

- Minimize total cost of ownership with High Yield All-In-One print cartridge technology for rock-bottom per-page costs.

- Reduce printing costs further with smart Auto Color Sensing (ACS) technology to stretch supply yields.

- Reduce paper use, filing space and postage costs with standard automatic duplexing (SP C232DN only).

Small on Size and Upkeep

Easy to install and maintain, the Ricoh Aficio SP C231N/SP C232DN comfortably fits on your desk or anywhere space is limited while offering total front access in a compact design.

- Streamline supply purchasing and inventory with long-lasting, All-In-One print cartridge technology.

- Easily exchange the top-loading All-In-One print cartridges in seconds for fast, mess-free replacement by any user.

- Increase paper supply to 751 sheets without increasing footprint. The optional 500-Sheet Paper Feed Unit installs beneath the printer to expand capacity without occupying more space.

- Execute printer set-up and maintenance tasks, graphically view supply status, and easily correct error conditions at the device with the user-friendly control panel.

- Manage printer network settings and check supply levels remotely with Web Image Monitor, the printer's embedded web page.

Easily replace All-In-One print cartridges in seconds for maximum uptime with do-it-yourself convenience, and then return depleted cartridges for recycling at no cost to you.
