C5550n MFP PRINTING SOLUTIONS

High performance and spectacular color in an easy-to-use workgroup MFP

Full multifunctionality and High Definition Color in a fast, easy-to-use MFP for small to medium workgroups

The C5550n MFP from OKI Printing Solutions is a truly integrated color-and-mono device that can print, copy, scan and fax. It will satisfy the high-volume demands of a busy office environment, bringing greater productivity and cost-savings to your business.

It's perfect for small to medium workgroups, delivering color or black & white documents quickly and efficiently, along with 4-in-1 multifunctionality and real value for your investment

The C5550n MFP is designed to increase your pace and improve your image.

More functionality means more for business -

With the C5550n MFP's superior paper handling and software, businesses can quickly produce professional results in-house. Big tasks are handled with ease. Exceptional print and copy performance will enhance productivity without compromising print quality. Analog fax and a wide range of easy-to-use "scan-to" features will streamline processes without the need for a steep learning curve. All at a highly competitive price.

High-quality documents for a better impression -

Even with print speeds of up to 20 ppm in color and 32 ppm in black & white¹, there is no compromise on print quality. High Definition Color technology and 1200 x 600 dpi resolution improve detail, color depth and finish, delivering

stunning output on ordinary office paper for truly professional-looking business documents. Auto Color Balance provides consistent results throughout the life of the printer.

Manage the network, manage the costs

- Included within the C5550n MFP are three useful, powerful pieces of software, all of which help to keep costs down and productivity up. The Network Set-up Tool allows easy installation across your network; PrintSuperVision enables administrators to remotely monitor all printers; and Job Accounting software makes it simple to manage color usage and costs.

Simple to install—even easier to operate – With its compact, ergonomic design the C5550n MFP fits into the smallest office space. It's network-ready and simple to set up, and the user-friendly operator panel speeds every function.

Built-in dependability keeps your work flowing -

As with all OKI Printing Solutions products, the C5550n MFP is built to perform, day in, day out. Its straight paper path, high duty cycle, and high-capacity consumables help ensure that the device keeps running, minimizing the need for user intervention while maintaining workflow.

OKI Printing Solutions backs the C5550n MFP with a 1-Year On-Site limited warranty and 24x7x365 live tech support.²

The C5550n MFP Color Multifunction Product from OKI Printing Solutions consolidates and integrates several devices into one compact unit.

Document management made simple – The C5550n MFP comes with software that lets you move between scan-to tasks with a single click, including Scan-to-Email, Scan-to-Folder, Scan-to-PC Fax and Scan-and-Print.

Additional software easily turns piles of paper and photos into PDF and JPEG files—using the MFP's scanner—and saves them to your computer for future use.

And the C5550n MFP also has a precision optical character recognition (OCR) program to quickly turn office documents and forms into electronic files for editing, searching and sharing.

PaperPort® from Nuance® is a scanning and document management application that turns paper into digital content.

Nuance's OmniPage® software converts paper into editable electronic documents (via OCR), saving you time and increasing your productivity.

Network Setup Tool makes connecting your workgroup to the C5550n MFP a breeze. Access can be granted with a click.
